

Identifying and Supporting Young Children with Disabilities in Early Education and Care Settings

Guided Viewing: SpecialQuest Putting the Individual Education Plan into Action

As you watch the video use the following questions as your guide

1. What information can you use in the IEP to help successfully include a child with disabilities in your classroom?
2. Can you find resources in the IEP?
3. What else might you need to successfully include a child in your classroom?
4. Why is it important to incorporate IEP goals into the daily routine and activities of your classroom?
5. What type of tools can be helpful with communication between all the people who are supporting the child?
6. What pieces of information did you get from the video that you can share with parents in terms of helping them become strong advocates for their child?
7. After viewing this video do you feel that using a child's IEP makes inclusion a more manageable?
