

Homework Assignment: Disability of Your Choice

(This should not take more than one hour)

Choose a disability that you would like to learn about and create a fictional child with this disability. You will use this information to guide you through several activities during the next session.

Please include the following pieces of information:

- **Name of the disability**
- **General Characteristics of the disability**
- **How this disability may impact the child's ability to navigate your program**
- **What types of services may a child with this disability need?**
- **Special equipment or accommodations you would need in order to support this child in your program.**

Please have a written copy of your presentation available to use during session three and to receive credit for the assignment.

The following websites will provide you with the information you need to get started.

- **Go to the EEC website and select preK-12, select special education and you will see disability links. These will link you to specific information about each disability.**
