

Identifying and Supporting Young Children with Disabilities in Early Education and Care Settings

Small Group Presentation

Using the inclusion checklist as your guide develop a plan to include a child with your designated disability in your program. You will need to prepare a brief presentation to present to the whole group. Use this sheet to document your work.

Please include: Type of Disability:

General characteristics associated with this disability:

What are the supports and or training you will need to fully include the child in your program?

Do you need adaptive equipment?

Describe two ways you would adapt your routine or curriculum to accommodate this child.
